About Savannah

Savannah, GA is a city filled with unique history and lots of character. There is so much to see and do there. However, due to the rapidly growing population, the city is struggling with poverty and homelessness. Our group will partner with local ministries to serve the homeless, children, and elderly. Savannah was the very first city in Georgia founded in 1733. More than 35,000 families living there are below the poverty level. They will warmly welcome us into their community to serve and encourage the residents in need.

About YouthWorks

Youthworks is a national organization that provides youth the opportunity to serve in a variety of ways. Youthworks staff are energetic, college students who sacrifice their summers to work with youth and lead them throughout the week. They are wonderful examples of Christ and will offer opportunities for the team members to grow spiritually and learn more about themselves. We will meet up with other youth groups and make new friendships as well as take part in fun evening activities.

About Service Projects

There will be a variety of ways that we will minister to the community. Kid's Club, (which is similar to Vacation Bible School), is a big one. There may also be opportunities to visit nursing homes, serve at a soup kitchen and even work at a thrift store. These are all wonderful chances to share Christ's love with the people of Savannah.

About Work Projects

We will not know for sure what we will be participating in until we arrive. But some possible work projects include: painting houses, weeding gardens, yard clean up, minor home repairs, volunteer work and more!

About Registering

There is a registration fee of \$60 due with the application. We will be having fundraisers throughout the year to cover the rest of the cost. Applications are due by September 30th. You may detach the application so you still have the information. Please drop them off at the church office or mail them to the church. Information is on the back of the brochure. Thank you for considering this trip!
